The Elit Sale is a selected auction, which means that the horses attending should have a first class pedigree that is of high interest. The horses should also have good exterior. Our ambition is to visit the horses for inspection before the selection. Information about this will be available in the beginning of March. If the inspection can't be carried out, this registration has to be supplemented with images of the horse from both sides and a film where the horse walk towards the camera. Approximately 80-120 horses will be selected to the Sale. The form has to be at Trottex disposal no later than the **February 7** by post or e-mail.
